Jean Killoren  
Killoren Regulatory Consulting  
Authorized Agent for K-G Spray Pak Inc.  
316 Highland Ave.  
Hartford, WI 53027

Subject: Label Amendment – Addition of marketing claims for mosquitoes that may transmit Zika, etc.  
Product Name: QUICK BREAKING INSECT REPELLENT FOAM  
EPA Registration Number: 46813-46  
Application Date: 02/12/2016  
Decision Number: 514182

Dear Ms. Killoren:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

Decision No. 514182

with FIFRA section 6. If you have any questions, you may contact Elizabeth Fertich at 703-347-8560 or via email at [fertich.elizabeth@epa.gov](mailto:fertich.elizabeth@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read 'J S', with a horizontal line extending to the right.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

**READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.**

Do not spray in enclosed areas. Do not apply over cuts, wounds or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child.

If used on face, spray on hands first and then apply sparingly, and avoid eyes. Do not spray directly onto face. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Do not use under clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

Shake can well. Spray foam into palms of your hands and spread evenly on exposed areas of skin such as legs, arms, body, neck and face. Avoid contact with plastic and fabrics such as acetate, rayon and dynel.

**Storage and Disposal**

**Storage:** Store in a cool area away from heat or open flame. **Disposal:** Do not puncture or incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal guidance.

**PRECAUTIONARY STATEMENTS****Hazards to Humans & Domestic Animals****CAUTION**

Causes moderate eye irritation. Avoid contact with eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

**First Aid**

|  |  |
|--|--|
